Research Photographs & measurements by MA Student Angela List Evans: The Attic at Ormesby Hall

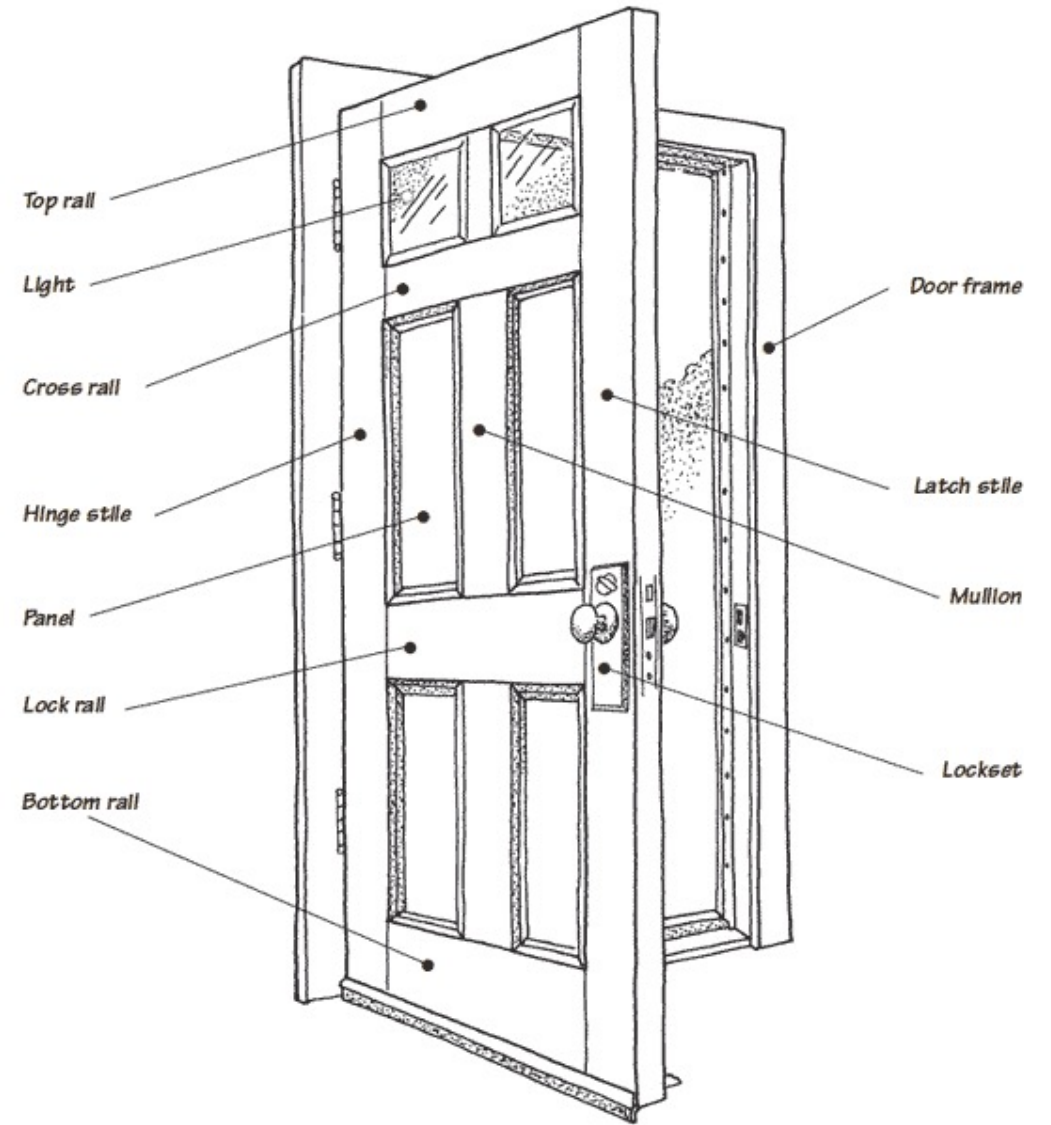

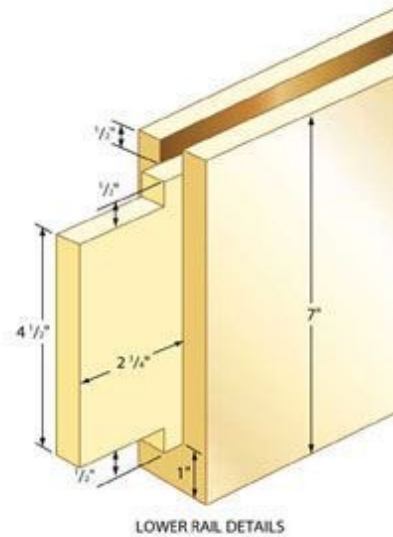

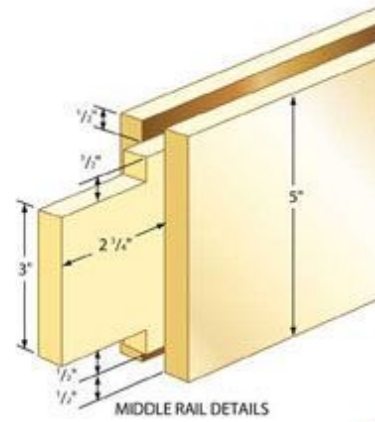

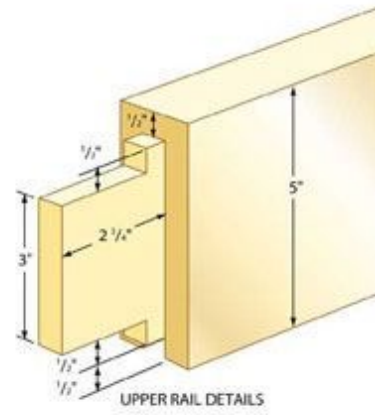

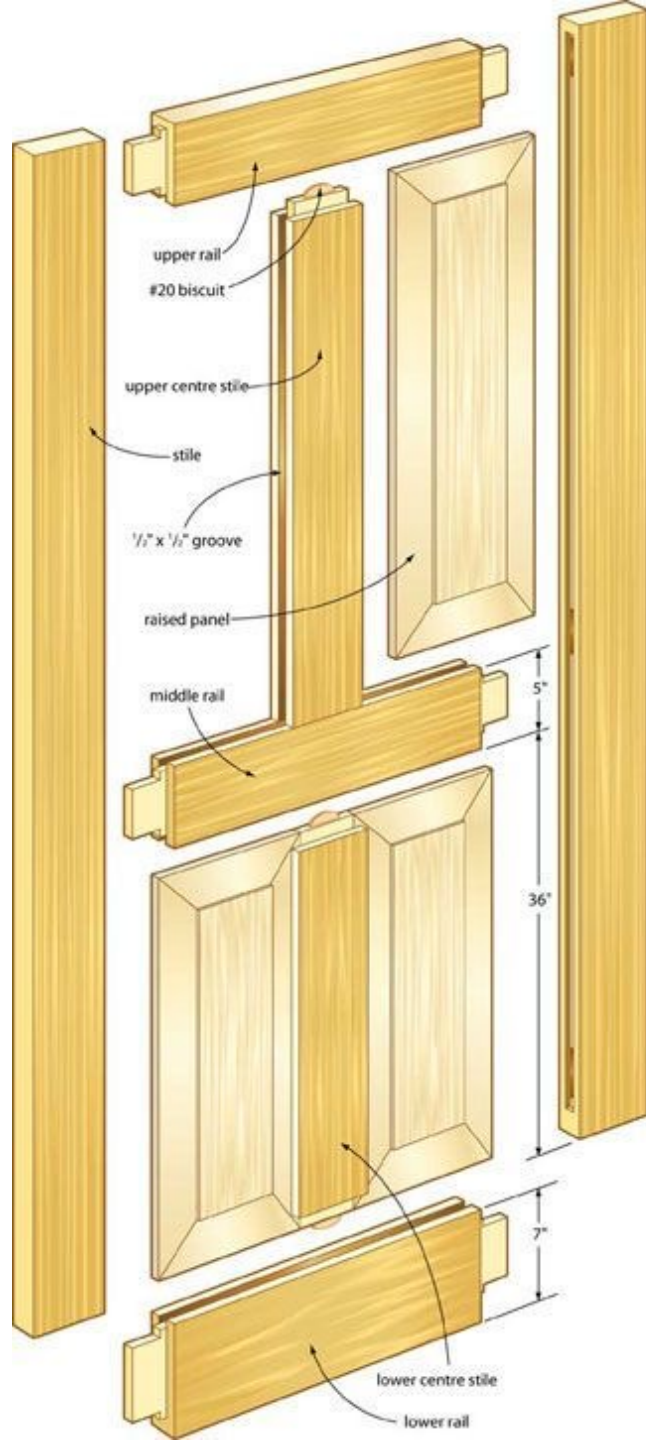

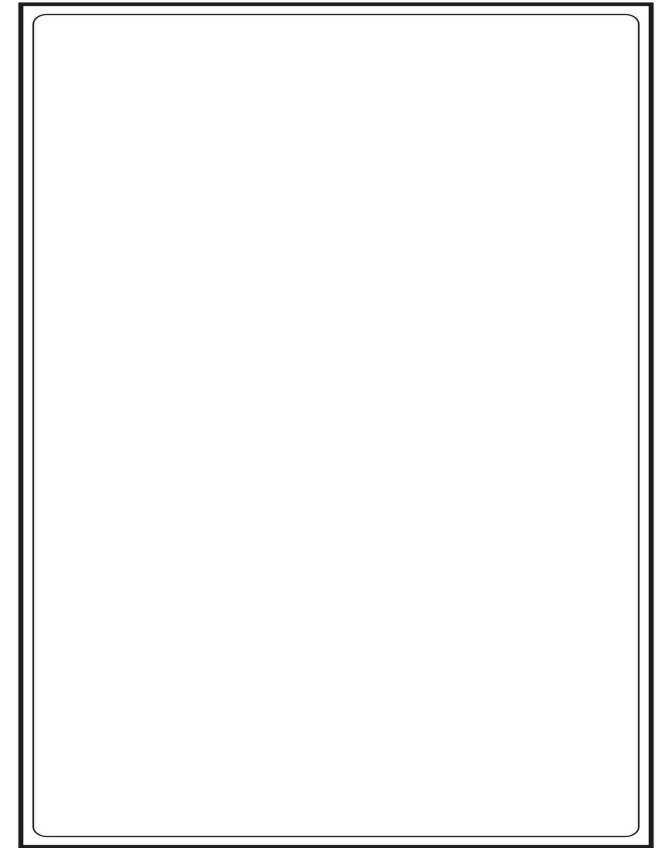

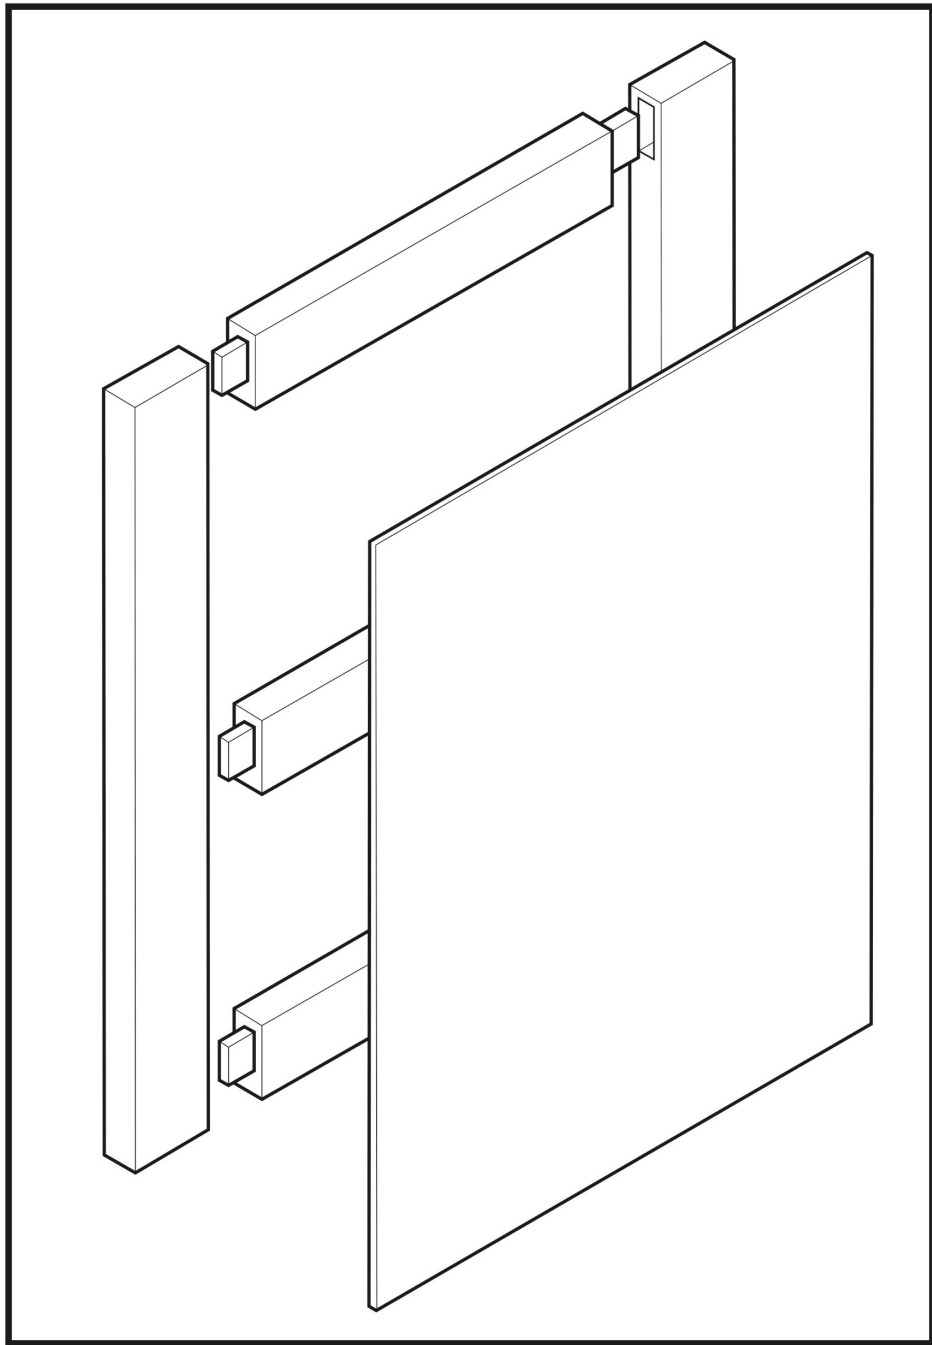

Boosbeck Industries Models  
1 Model Stool  
Full Scale

Boosbeck Industries Models  
1 Model Chair  
Full Scale

Simplified cabinet door construction.  
Just rails and stiles.

1945 Utility Furniture in a setting

## Utility Furniture 1941 to 1947

Top Left: Sideboard 1942 to 1947

Right: Oak Dressing Table by the Utility Design Panel 1943

*Both Manufactured by Heal & Son*

Trendy Cutting edge furniture 1930s

1940s Utility Furniture

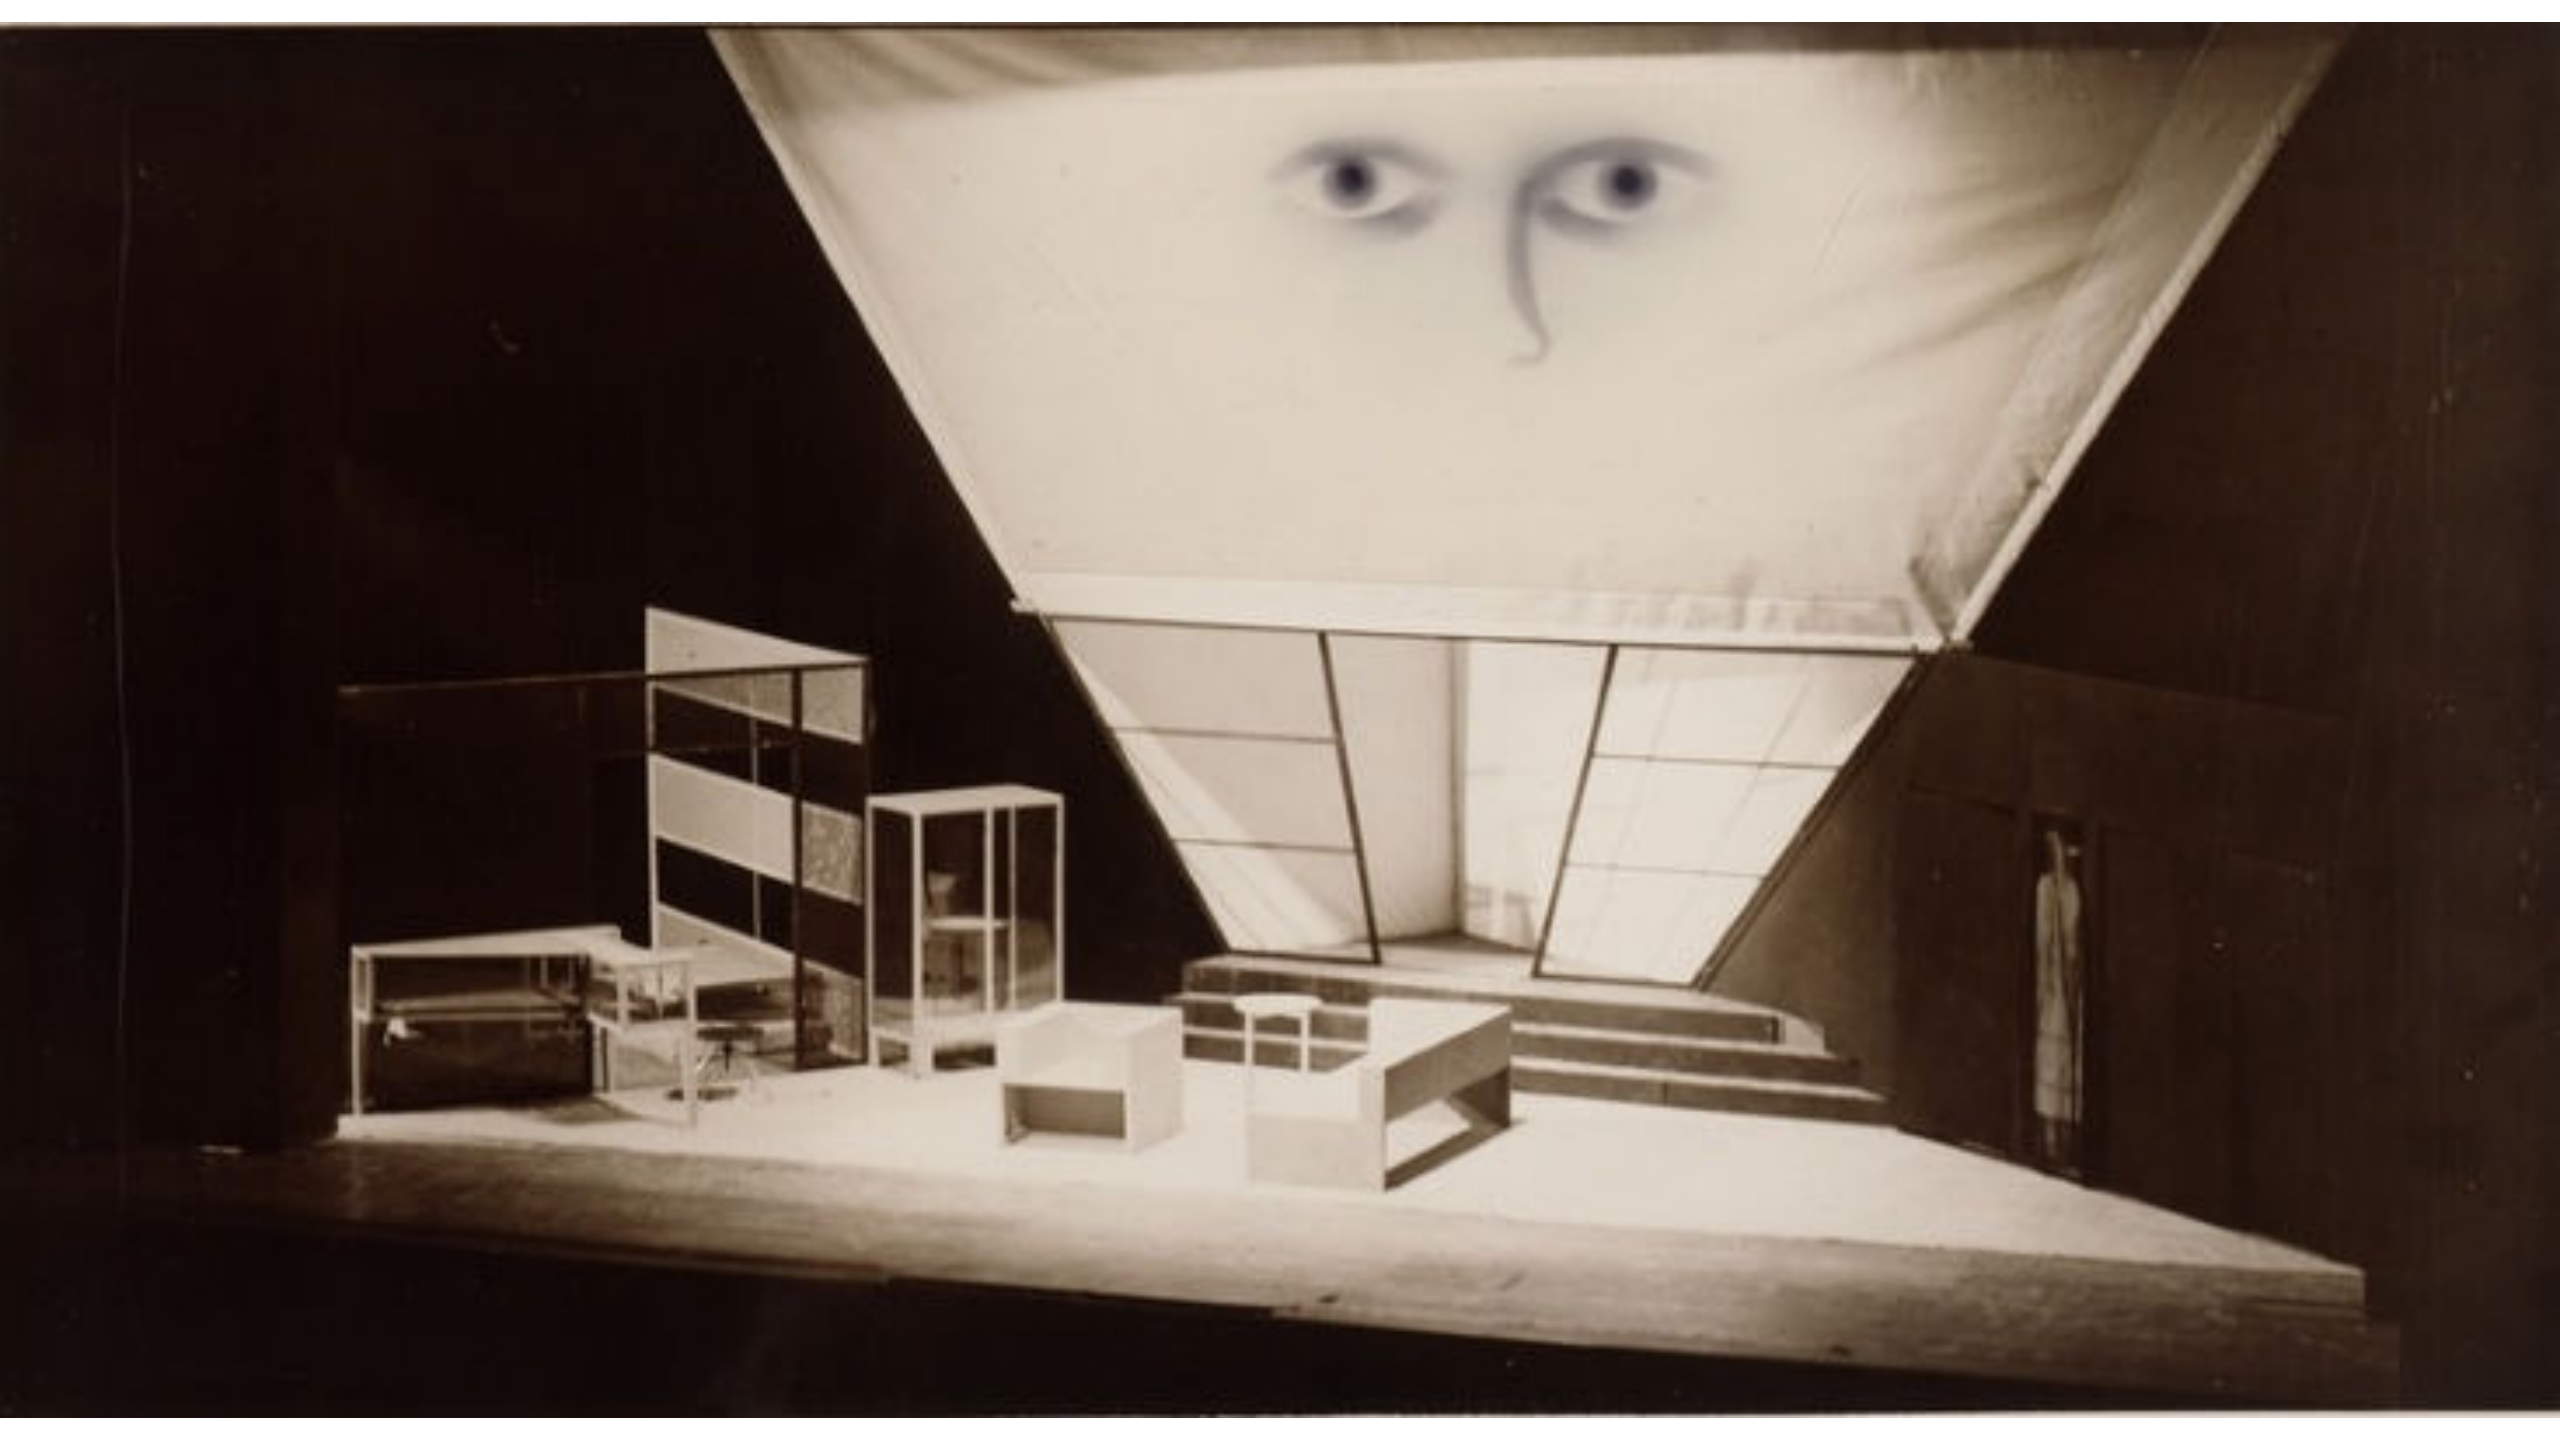

1960s Cheap Mass Produced

My Fair Lady 1964: Warner Brothers. The Set for Mrs Higgins House reeks of Macintosh a direct contrast to her son's Victorian eclectic home. Design by Gene Allen (Not Cecil Beaton who did the costume)
